GOLDEN LABEL

GOLDEN LABEL PLANT is located in New Industrial 3, Jeddah K.S.A.
we are in the total printing solutions provider for the printing industry.
Our company was established in 2009
with nearly two decades' experience in this field of business.

We mainly concentrate in producing and developing different types of SELF ADHESIVE LABELS in PAPER, PE, PP,PVC and other specialized high-Quality Materials.

We established and settled our production line such as production department, quality management, procurement department, procurement department, procurement department, and sales department to make sure we meet the requirements of our loyal customers including multinational companies in Saudi Arabia.

We are very capable of printing labels and we can produce any size of excellent quality labels. Certified food grade with a totally healthy atmosphere. We can provide self-adhesive stickers printed on any substrates.
